Hello Dear ones;

I would like you all to buy my book on the net (Hard cover \$ 30; soft cover\$ 20; Kindle \$ 10) on web; Read; help others read; tell me goodt or bad about it. talk about it; write web comment on it .

Book contains stories from "Desert Storm" 1991, medical school days in Nagpur, deathly experiences from various countries while serving poor, tribal folks surgically.

Those of who read my marathi books "Kashyasathi-Kunasathi" and "Swant Sukhay" might find some of these these "english adoptations" familiar, but there are many newly written experiences, you will like them.
