

## “Simran”

(Life Without Regrets)

This book is written for Simran and young people of her generation. Simran represents children from many families each with a different story. The effort here is for young people not just to know about Simran but to ask about their own families and become aware of the legacy of their heritage.

Who were their parents, grand parents and others before? How did they live and what struggles did they endure? By knowing where they came from they will have a stronger sense of identity and motivation to achieve. This book hopes to convey how every family works to provide a better life for the next generation through ambition, sacrifice and generosity.

Encouraged by the response to “Simran” we are leveraging the good wishes to help the handicapped in Maharashtra. All the proceeds from the sale of this book will be donated to the “Simran Wheelchair Project” located in Pune. Under the direction of Mrs. Neela Dhawale the funds will be used to provide wheelchairs to the handicapped with financial hardship.

In buying this book we appreciate your support. In your one action you are being twice rewarded, first in the pleasure of reading the book, and second, the joy in knowing that you are helping a fellow traveler in the journey through life.

God bless.
