We don't accept any donation in cash, VKA provides proper receipt for every donation, request to contact only authorised person of VKA.

Vanvasi Kalyan Ashram (VKA) a renowned NGO, who works for Education, Health and overall progress of Tribal students.

This Organisation is 64 years old and works in entire India at tribal locations, having schools, hostels and primary medical help desks for children. VKA put efforts for Preserving tribal culture as well.

VKA also build water reservoirs , bore wells , cleaning the lakes and rebuilding them for making water provision in remote tribal areas.

The Head Quarter is in Jashpur- Chhattisgarh. The Maharashtra Administrative office is in Nashik.

VKA also supports students to bright up their future in sports. Some classic examples like Mr. Limba Ram, a famous Archer (Padma Shri and Arjuna award winner), who represented India in Asian and Olympic games and won many gold medals in commonwealth games, Limba Ram is a product of Vanvasi Kalyan Ashram, details can be found on Wikipedia as well.

Miss Kavita Raut is a upcoming athlete runner called as “Savarpada Express” also comes from VKA. Kavita recently ( Feb 2016) have been selected for Olympics game.

VKA Team from Pune- Chinchwad, worked very well and dedicatedly in the rescue work at the unfortunate incident happened in MALIN landslide and as usual

happened to be a trustworthy source for people who were willing to donate/help with Medicines/ Dry Food, Bedding Items and Donation.

We have started a new hostel/ Vikas Kendra in village " Maale", in Pune, near Mulshi Area, and it needs support from everybody who can help us. Students from Katkari community and children of brick workers are getting benefited by this facility.

We also have a Resident hostel at "Bhor" village, on pune satara highway, which is an old hostel, where many students have got facilitated with education, we have upcoming plans of expanding the hostel to accommodate more students, as it's need there, we request you to support us specifically in this project.

I appeal to take a step ahead and help us with donation. People who can contribute their time are most welcome as well.

We have started a manufacturing small unit for tribal students in maale village, katkari students manufacture wooden articles with warli painting on it and sale them as part of their earning source. VKA supports all their activities.

For details of this activity please visit FB page " TryAble".

An average expense of a student for residing, education, food and health is Rs 10,000/- for a year. We also need donations for making the male hostel/ kendra fully functional with basic utilities/ facilities. The donation carries a proper Receipt which has Tax Exemption under 80G section.
