In this episode of Wings Podcast we meet Dr. Rucha Bapat, a dentist turned research scientist. After completing her Bachelors in Dental Surgery in India, Rucha did her Masters and PhD at the Center for Craniofacial Molecular Biology at University of Southern California, Los Angeles where she currently works as a full time postdoctoral scholar. In addition to being a bibliophile, Rucha enjoys cooking

and baking during her free time. While driving to work each day she's equally attentive to her music playlist and podcasts playing on her car stereo as well as to the busy traffic on the Los Angeles I-10 freeway.
